

## protective coatings and resin flooring

PRODUCT DATA

### API SPOT CLEANER

#### PRODUCT DESCRIPTION

Spotting and staining are the most challenging aspects of maintaining resinous deck coverings. API Spot Cleaner is effective for removing grease, food and organic stains, and other localized stains.

#### TYPICAL USES

API Spot Cleaner is used on exterior resin deck coverings.

#### DIRECTIONS FOR USE

- Shake well before using.
- Blot up fresh spills and stains as much as possible.
- Spray API Spot Cleaner on the stain, and allow to penetrate for 30 seconds to 1 minute.
- Scrub with a standard issue deck brush for 30 seconds to 1 minute.
- Wipe with a clean, white cloth. Repeat if stain persists.

#### PACKAGING

API Spot Cleaner is packaged in units for easy handling. Each unit consists of:

1 case containing (6) 1-quart bottles.

#### STORAGE CONDITIONS

Store API Spot Cleaner between 16 and 30°C (60 and 86°F) in a dry area. Do not freeze.

#### DILUTION

API Spot Cleaner may be diluted to optimize cleaning performance or to affect greater economy.

#### RECOMMENDATIONS

- The dilution ratios stated are approximations. Adjust the dilution ratio to optimize cleaning performance or to affect greater economy.
- Dispose of waste materials in accordance with government regulations.

#### PRECAUTIONS

- The use of safety glasses and impervious gloves is required during application.
- Avoid contact with all liquids as they may cause skin and/or eye irritation. In case of contact, flush the area with copious amounts of water for at least 15 minutes and seek medical attention.
- Wash hands thoroughly with soap and warm water after use.
- Use only with adequate ventilation.

API USA believes the information heretofore to be true and accurate as of the date of publication.
